# Marathon Sun Bowl Basketball Skills Camp

The El Paso Parks and Recreation Department selects 200 children to attend the Marathon Basketball Skills Camp.

This year's camp marks the 27th year the WestStar Don Haskins Sun Bowl Invitational coaches have taken time out to teach both basketball and life fundamentals to El Paso's children in a fun and exciting way.

Head coaches for the tournament teams meet the children at UTEP's Memorial Gymnasium where they are coached on the finer points of basketball while reinforcing the importance of education and teamwork.

Each child receives a T-shirt and a basketball compliments of Marathon, El Paso Parks & Recreation and the Sun Bowl Association.

**With Basketball, When the Other Team Scores, You Get the Ball Back. In the Cyber Game, When They Score, You May Never Get the Ball Back!**

Basketball is a game of smart coaching, precision shooting, accurate passing, agile blocking, quick player substitution, and overall: *excellent game day execution!*

However, it is also about *preparation*: good recruiting, rigorous off-season training, and the list goes on and on.

Similarly, **cyber resilience** is the consistent use of many best practices like MultiFactor Authentication, Password Management, and more.

It's also about **cyber preparedness**: security awareness training, ongoing cyber risk monitoring, incident response planning, and the consistent identification, mitigation, and management of risks.

We have available a **cyber playbook**, including the use of **Microsoft Teams** and **UCaaS**, which will be helpful for your protection and productivity in 2024.
